Dear Community Partner,

The Willow Grove Educational Foundation (WGEF) is pleased to announce that its 9th Annual Spring Gala will take place on Saturday, May 4th, 2024 from 5-10 PM at the Del Sur Ranch House. This "Roaring 20s" themed gala will be an adults-only event that features live music, dancing and a fabulous dinner with silent auction, all in an effort to raise vital and necessary financial support for Willow Grove Elementary School (WGES).

This exciting event is marketed to our entire school of 600+ families representing our 800+ students, their friends, and our local community.

WGEF is a 501(c)(3) non-profit public benefit corporation that provides funding support to Willow Grove Elementary at a time when the state has made significant cuts to funding education. Your generosity will help WGES maintain updated technology in the classrooms, literacy resources, physical education, art program, math club, school newspaper, underwrite reading impact teachers, and support a school-wide hands-on music program.

We are looking for event sponsors to underwrite various aspects of the event, as well as items to include in our silent auction. We thank you in advance for your support in helping us continue to grow and improve the educational experience for all children attending WGES.

Donations can be delivered to:
